This year the band has enlarged to 126 members. In order to acquire the large membership, the Marching Eagles included for the first time all of the freshman band. The band members practice many long hours to perfect the half-time shows and to achieve the unusual. For example, the band performed a hat and cane routine during one show.

The team was composed of seven seniors (LEFT) and eleven underclassmen. (TOP LEFT) C. C. boys know it takes practice to obtain success. The Eagle's determination to win the SII title never waned, although they were defeated several times. Belief in this goal gave the Eagles the drive and stamina to surpass many teams.

A FOOTBALL TEAM

There are many elements involved in the making of a successful football team. The coaches, cheerleaders, parents, students, and friends add support to the team's spirit. Throughout the season the fighting Eagles were welcomed onto the field (TOP) by the loyal fans and cheerleaders. However, the real spirit comes from the players themselves! A successful team is derived from their efforts, cooperation, and reliability on each other (RIGHT).

(TOP LEFT) Co-captain Ron Snyder uses his abilities to block off the opponents. (TOP RIGHT) Sometimes it's harder to sit on the sidelines and watch, than to really get into the action. (LEFT) Jeff Schmelz runs down the field for a touchdown. (BOTTOM LEFT) Come on coach, it's not all that hard. (BOTTOM RIGHT) One of the main jobs of each player is to be able to carefully listen and carry out all instructions.

BASKETBALL HOMECOMING

Left to right: Linda Freeman, Queen, Linda Freeman, Sophomore Attendant, Mary Wilson, Senior Attendant, Deb Dwyer, Junior Attendant.

The 1974 Basketball Homecoming held on January 18th was truly a highlight for both the home team and her court. A student reign as queen over the evenings activities was senior Linda Freeman. Her court consisted of Mary Wilson, senior attendant, escorted by Ron Petty; Deb Dwyer, junior attendant, escorted by Dennis Weaver; and Linda Freeman, sophomore attendant, escorted by Darrell Reno. Queen Linda was escorted by Dave Wozniak, and last year's Queen, Deb Woodruff was escorted by Holly Hollister. The student body really added to the success by showing school spirit, both during pep week and at the game. The homecoming pep week was a success, when the halls of E.H.S. were filled with banners, streamers, and decorated back hair! The pep session also included court with the help of three slightly different cheerleaders! Finally, after the victorious 70-55 game, many students attended the homecoming dance sponsored by the senior class.

who needs more power plants anyhow!

You do.

If you want to use the products you own
today and will own tomorrow. Most are
powered by electric energy.

If you want to work. Every job requires the
use of electricity in some form.

If you want to live in a quality environment.
Most pollution control equipment runs on
electric power.

You need power plants . . . for all your wants.

I would sincerely like to thank
all of the merchants whose
support has helped to make this
year's book possible. A very
special thanks also goes to the
members of the staff. Their time
and cooperation was greatly
appreciated.

Thank you,

Mary Skilson

Business Manager

Finish every day and be done with it. You have done what you could. Some blunders and absurdities no doubt crept in; forget them as soon as you can. Tomorrow is a new day; begin it well and serenely and with too high a spirit to be cumbered with your old nonsense. This day is all that is good and fair. It is too dear, with its hopes and invitations, to waste a moment on yesterdays.

RALPH WALDO EMERSON

Through this book we have tried to preserve
better memories of yesterday.

(BOTTOM RIGHT) The students looked differently dressed than normally seen at school. (BOTTOM LEFT) Nadine must have found Doug! (BOTTOM RIGHT) Many couples had their pictures taken while sitting under the trellis.

THE PARK"

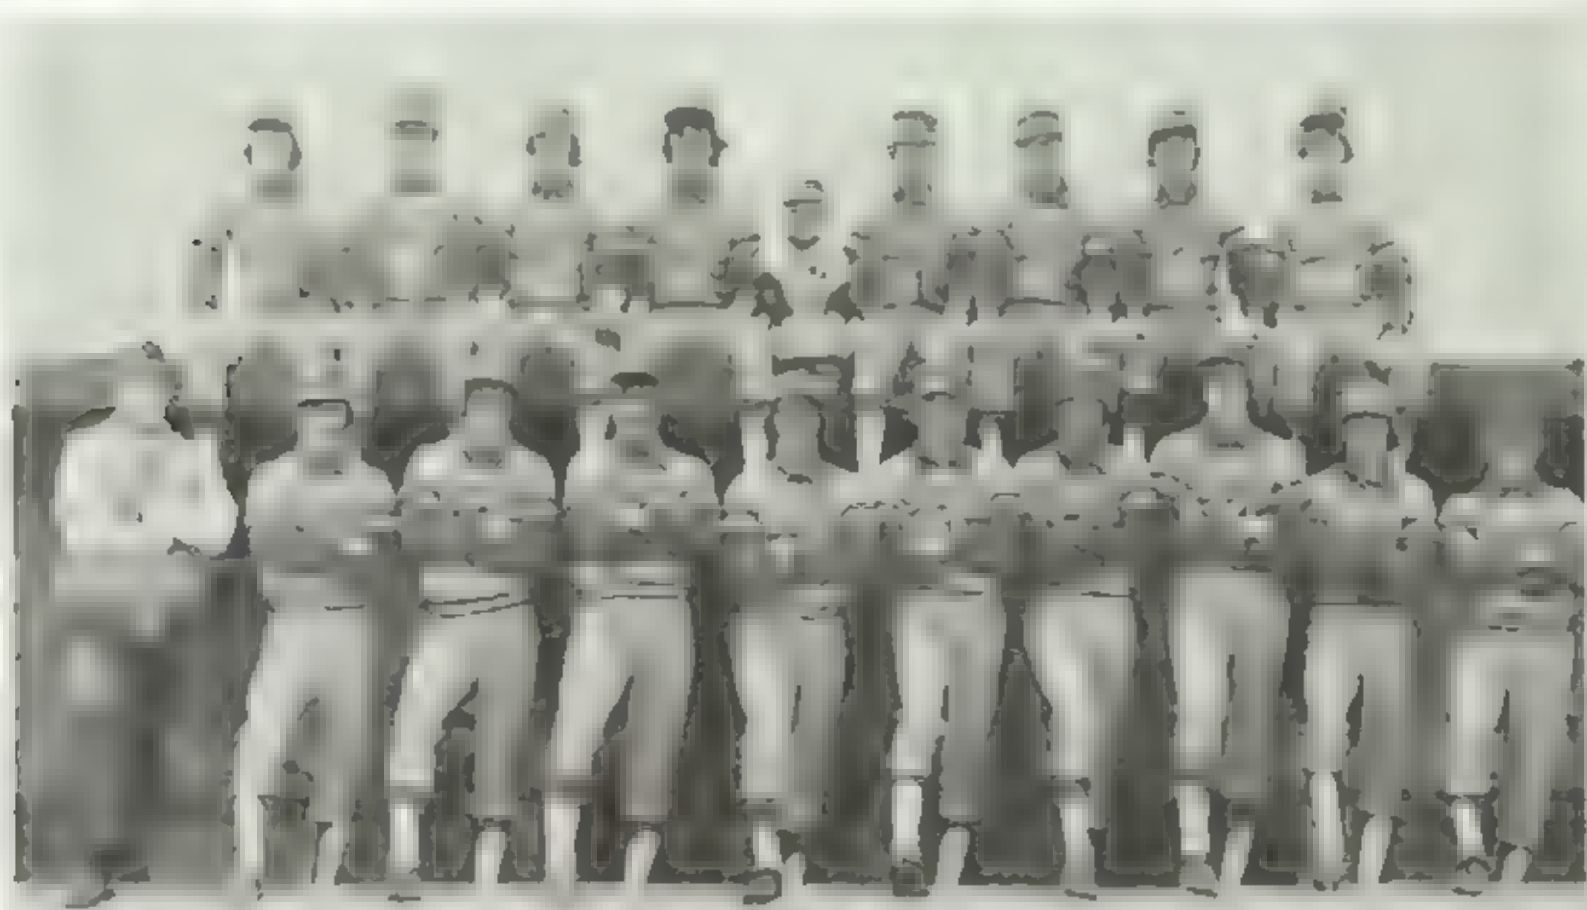

The Junior Class spent many long hours working to create a unique prom for the graduating Seniors. Overnight the Junior High cafeteria became the perfect setting for "Saturday in the Park". Many parents as well as students helped to make the evening a success.

The buffet dinner was decorated with checkered tablecloths and live flower arrangements. Jayne Dierker and Dan Robase, met in the park to read the prophesy after the Juniors were read the will by Senior Tom Bowles.

Later, the band seated in the gazebo, provided music for an evening of dancing. The rock fountain, trellis, blooming trees, and park benches, created a beautiful scene.

Afterwards, many went to Varsity Lanes in Bowling Green for an after-prom of bowling, pool, ping-pong, or putt-putt. An early breakfast was served Sunday morning after an exciting and fun-filled night.

GRADUATION 1974

June 2, 1974 is a day to be remembered throughout the lives of 176 Eastwood High School graduates, for this is the day which marked the turning points of their lives. Many decisions will have to be made in the days to follow which will determine the course of their future. Furthering their education, pursuing a career, or continuing with a present job are just a few of the choices which they have.

Graduation is a time not only for looking to the future, but it is also a time for reflecting on the past. Many memories of Elementary, Junior High, and High School days will be remembered as they continue through life.
